Driving Directions

Go East of Park Rapids on Hwy.34 to County Rd. 4 (Lake George Road). Go North on County Rd.4 for 1.5 miles. Leeseberg Cabinets is on the West side of County 4 across from the Ark Animal Clinic.

Randy makes pull-out shelving, pull-out garbage cans, appliance garages, lazy susans, etc. You name it and he will include it in your custom kitchen.

Cabinet Hinges are of the European style which are not visible when the doors are closed. They are three-way adjustable for perfect fit and alignment.

Randy Leeseberg has been building custom cabinets for over 27 years. He would like the opportunity to work with you in designing the kitchen of your dreams. Contact Randy with your plans and/or ideas and we can create your custom cabinets.

One of our most popular kitchens is Rustic Hickory (shown above). Clear Hickory is available as well. Other woods commonly used are Oak, Maple, Birch, Pine, Ash, Alder and Cherry.

Maple cabinets with a glazed finish.

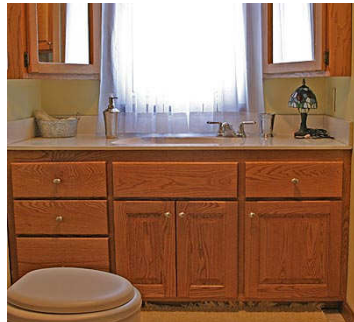

Oak cabinets are also popular.

Custom Cabinets aren't just for the kitchen.

Randy can build:

Corner Cabinets

Bathroom Cabinets

Gun Cabinets

Book Cases

Fireplace Surrounds

Entertainment Centers

Countertops

Laminate countertops (many brands available) are made in the shop. Custom countertops can be ordered in Silestone, Corian, Granite, Marble, Cambria, Zodiac, etc.

Doors

Door styles include Raised Panel, Shaker, Mission and Planked. Various door styles are displayed in our showroom.

Drawers

All drawers are dovetailed and constructed of solid wood. This results in the best, most durable drawers possible.
